

Name: _____

Date: _____

Character Web

Six ways to get to know a character

A character web diagram with a central circle labeled "Character" and six surrounding rectangular boxes, each with a title and a subtitle. The boxes are connected to the central circle by lines. The boxes are arranged in two columns: three on the left and three on the right. The left column boxes have light blue headers, and the right column boxes have light orange headers. Each box contains five horizontal lines for writing.
